

Greeting 96,

Attached is our final version of our official bylaws (if you are interested).

Our first at-large member is Shane McDonald (Company Rep Coordinator). I think we have about half the companies filled. Feel free to help us out and volunteer!

Our second at-large member is Brian Reardon (Class Project Officer). Expect some sort of vote to narrow down what we would like to pick as our project in the near future.

Nagel Sullivan

Beat Army!
