

Classmates,

In connection with our upcoming 25th Reunion, it's time to start the process of electing our next set of Class Officers. First, let me personally thank Nagel, Bill, Nikki, and Cara for the outstanding job they have done for the last few years. Their term will officially end on Sunday, 12 SEP 2021, of our Class' 25 year reunion weekend.

As last time, I will be coordinating with the USNAAA to run our Class Officer elections via their on-line system. As such, I will obviously not be running for any office.

Please allow me to formally ask for nominations:

- 1) You may self nominate for President, Vice President, Treasurer, or Secretary
- 2) You may also nominate others. However, if you are going to nominate somebody, please talk to them first. If you nominate somebody else, you need to send me their cell and email with the nomination so I can confirm that they want to stand for election. There's no sense in putting somebody on the ballot if they don't want to serve.
- 3) Nominations must be sent to chadfulgham@yahoo.com by Friday, 30 APR 2021 (~4 weeks from now).
- 4) New Class Officers will begin their term on Monday, 13 SEP 2021 and will run for ~5 years ending on the Sunday following our 30 year reunion.
- 5) It is helpful if the President can attend in-person meetings at the Naval Academy but it is not a requirement.
- 6) Of note, only the class president is limited to a single term per our class bylaws.

Regards,

Chad
