

Dear Class Presidents,

The NAAA is committed to honor and display former midshipmen that our Academy alumni consider to be varsity "legends" in their respective sport in the newly created Ron Terwilliger '63 Center for Student-Athletes in Ricketts Hall. The Class of 1965 Navy Legends Exhibit celebrates former Navy student-athletes who excelled in their respective sport while at the Naval Academy. As a follow-up from the recent Class President's meeting, I am requesting each Class President submit five to eight athletes from your Class that your Classmates considered highly accomplished and contributed in a significant way to the athletic program. There will not be a selection process, but rather those that the Class feels could be defined as varsity athletic legends from within your Class will all be included. This is not a nomination process, but rather an opportunity for us to display from each Class those who have made the greatest impact on the program and on the Brigade through the eyes of their Classmates. It's very important that when the Class Presidents submit their list that there be any pictures included if available, but at a minimum there must be written text that speaks to why this individual was considered one of the finest athletes in the Class.

This exercise is an opportunity to bring a wider breadth of meaning to this display because the information that will be shared with the public directly reflects the first hand respect and acknowledgement of those considered to be legends in the eyes of their Classmates. Please submit the names, pictures if available, and text (500 words +/- is appropriate).
