

Classmates,

Time for a Reunion update from Thomas Leahy:

## **REGISTRATION**

- FYI, our numbers are looking pretty good (currently 276 classmates are attending) but we still need some more people to register to meet our assumptions on pricing.
  - The Reunion Committee has certain costs that are by head (e.g., food) and certain ones that are spread across registrations (e.g., security and the tailgate tent). If we don't get enough people, then the Committee will have to cut back on some of those fixed costs.
- There are about 40 people that registered but didn't actually checkout/pay. Thomas sent you all an email so if you aren't coming, just we can track headcount.
- The price will increase again 1 July.
- If you are having finance issues and that is the only thing keeping you from attending, please contact Thomas to discuss options.
- The MD Governor is rescinding all COVID restrictions as of 1 July. So there will be minimal impact to our activities.

## **FRIDAY NIGHT RECEPTION**

- Lots of questions about what will be provided Fri night. The short answer is open bar and food options/carving stations. Exact menu items will be providing as we get closer and things firm up.

## **FOOTBALL TICKETS**

- There are still seats and Standing tix available
- Reminder that you do not need a football ticket to get into the tailgate
- Our block closes at the end of June

## **HOTEL BLOCK**

- There are very few rooms left.
- on July 10, we will release any remaining rooms back to the Westin.

## **CLASS STORE**

- Class store is still open. <http://www.usnaclassstore.com/96store.html>
- Order by 18 July!

## **ELECTION**

- *Don't forget to vote for your Executive Steering Committee. Only a few weeks left.*

*Nagel Sullivan*
